Feedback Analysis Report for the academic year-2022-23

Introduction

Feedback is an essential element of the learning process. The University collects the feedback on various curriculum aspects and courses from different stakeholders such as the students, alumni, Faculty, Employers and Parents through online. The feedback collected from the individuals has been analyzed and taken to the consideration for the development of curriculum, teaching learning process and environment.

Students' Feedback

The Students' Feedback on curriculum and teaching learning process in Sri Krishna Institute of Technology is designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery, as well as student learning experiences. For the academic year 2022-2023, students' feedback is sought from around 500 students about the curriculum and teaching learning process. Majority of the student population (61%) agreed that the syllabus can meet the competencies expected out of it. Majority of the students strongly agreed that the syllabus is relevant to the course. Around 80% of the students agreed that the allocation of credits is appropriate in relation to the level of course work content. It is observed that 82% of the respondents agreed that the size of the syllabus in terms of load is feasible. The students' feedback revealed that 48% of them agreed and 56% strongly agreed to the point that the elective courses that are offered are much relevant to the specialization streams and technological advancements. Also, majority of students (80%) agreed that the laboratory experiences and practical exposure given to them enhanced their understanding of the concepts and enable them to relate theoretical components to practice.

Feedback analysis report

- The analysis of the students' feedback clearly depicts that they are well satisfied with the curriculum development.
- The students highly appreciated the academic related infrastructural facilities such as library, laboratories, and other facilities.
- It is observed from the students' feedback that few of them expressed the need of more ICT facilities.

Teachers' Feedback
