Demo class - Ethical Hacking

Activities...

Department of Computer Science & Engineering in association with IQAC-SKIT, organized a Student development program Brainstorming class on Wednesday, **06-07-2022** in OFF-LINE mode. The topic of program is :“ SDP on Cyber Security and Ethical Hacking (Upcoming)”, Mr. Manoj Kashyap is Technical corporate trainer for Ethical Hacking, Computer forensic and IOT, Embedded system Networking. Ethical Byte has been a long-term trusted partner for clients, working closely with our clients allows us to act in their best interest over the long term. The aim of the event is to inspire and encourage Students to get the information on cyber-attacks with a Demo on session offline. Prof. Kavya M started the event by welcoming participates and Speaker. Dr. Shantharam Nayak greeted the speaker and participants. He shared a very good knowledge about upcoming cyber-attacks with hands on session. After this Demo session we collected the feedback for Course on Cyber Security and Ethical Hacking. More than 70 students participated and benefited from the session. The session was very interactive. Prof. Kavya M has coordinated this event.

Abstract of Activities in this period

- A “**Demo Class on Ethical Hacking**” was organized in the campus on **Wednesday, 06 July 2022**—Mr. Manoj Kashyap R-Ethical Byte.
- A “**Project Expo 2022**” for 8th sem was arranged on **Friday, 20-July-2022** Resource person : **Dr. Ajith Padyana**(ACIIT)
- A “**Graduation Day 2022**” for 8th sem was arranged on **Friday, 29-July-2022** Resource person : **Mr. Santhosh Ananthpura** (Infosys)
- A Workshop on “**Ethical Hacking**” for 4th sem students was arranged on **25-30 July 2022**, Resource person : **Md. Tousif**, Ethical Byte
- A session on “**Internship & Training at IBM**” for 7th sem students was arranged on **19-08-2022**, by : **Manoj Kashyap R**, Ethical Byte
- A session on “**Internship & Training**” for 7th sem students was arranged on **20-08-2022**, Resource person : **Pramila C-KGTTI**, B'lore.
- A Function of “**Teacher’s Day**” celebration was organized on **05-09-2022**, by staff of CSE department.
- A Function of “**Engineer’s Day**” celebration was organized on **15-09-2022**, by staff of CSE department.
- A “**Counseling Session—Project Grouping & Domain Selection**” for 7th sem students was arranged on Monday, **26-09-2022**,

Do you Know ??

- * Every minute, 10 hours of videos are uploaded on Youtube
- * A dog can hear high frequency sounds, which a human ear cannot.
- * A body decomposes four times as fast in water than on land.
- * A blue whales heart only beats nine times per minute.

Project Expo - 2022

Our Institution [SKIT] has facilitated to have Project Exhibition by the Final Sem students on **Wednesday, 20-07-2022** in the campus. Total **22 project batches** of Computer Science students have registered and participated in the Project Exhibition.

The Project Expo [ANVESHANA] 2022 was inaugurated by all the dignitaries representing Ms Rakshitha (from Management), Dr. Mahesha K (Principal) along with all Domain Experts from different department & all HoDs at 10.10 am. We had following domain experts to evaluate the project of CSE students.

Dr. Ajith Padyana—Professor-AIML, Acharya IT, B'lore.

Dr. Deepak Sakkari—Professor-CSE, SKIT, B'lore.

Dr. Shantharam Nayak (HoD-CSE) extended complete support for logistics and Prof. Imran Ulla Khan coordinated this event.

Graduation Day 2022

The Institution has facilitated to organize common **Graduation Day 2022** programme for the outgoing students of 2018-22 batch. The **Department of Computer Science & Engineering** organized a **Graduation Day** event for the outgoing Graduate students on Friday, **29-07-2022**. Prof. Kiranmayi welcomed the guests and students for this function. **Sri. Santhosh Ananthapura**, Head Corporate affairs & Public policies, Infosys Ltd., was the chief guest for the occasion. He delivered the Graduation address. Mr. Santhosh presented about the technological growth and the role of a graduate engineer in developing the technology. The plan & process must be apt to the organization and the society. The Graduate Engineers must have Technical & other skills which keep them in the competition. He advised the Graduate Engineers to do Professional Practice with Ethics. All the outgoing were given with necessary authentic Course Completion certificate. Prof. Savita B Patil & Prof. Soumya C V coordinated this event.

Counseling on "KGTTI Internship"

The Department of Computer Science & Engineering in association with IQAC-SKIT, organized a **Brainstorming class on internships** from KGTTI on **20-08-2022** in OFFLINE mode. The topic of program is: "**UPCOMING INTERNSHIPS**", Mrs. **Pramila C** is the resource person and designation is **Sr. Engineer in KGTTI**, The aim of the event is to inspire and encourage Students to get the information on upcoming internships with different domain with an session offline. Prof. Kavya M started the event by welcoming participates and Speaker. She shared a very good knowledge about upcoming internships in KGTTI near Nagasandra. After this session we collected the feedback from the students and total 13 students joined the **RED HAT CERTIFIED ENGINEER (RHCE)** training. The session was very interactive. Total 80 students have actively participated and interacted for seeking the information. Prof. Kavya M and Prof. Nikitha V have coordinated this event.

Department of Computer Science & Engineering in association with IQAC-SKIT, organized a **Student Development Program [SDP]** from 25-07-2022 to 30-07-2022 in OFFLINE mode. The topic of program is :“ **SDP on Cyber Security and Ethical Hacking Level-1**”, Mr. Mohammed Tousif is Technical corporate trainer for Ethical Hacking, Computer forensic and IOT, Embedded system Networking Ethical Byte has been a long-term trusted partner for clients, working closely with our clients allows us to act in their best interest over the long term. The aim of the event is to inspire and encourage Students to get the information on cyber-attacks with session offline. Prof. Varsha J started the event by welcoming participates and Speaker. Dr. Shantharam Nayak greeted the speaker and participants. He shared a very good knowledge about upcoming cyber-attacks with hands on session. After this session we collected the feedback from students for Course on Cyber Security and Ethical Hacking. In this workshop 95% interested to take the level 2 cyber security course. The session was very interactive. Total 79 students have participated & drawn benefits. Prof. Kavya M has coordinated this event.

Faculty Involvement

The Deccan Herald and Prajavani [DH-PV] jointly organized 12th edition of Jannadegula Eduverse programme at Hotel Jayamahahal Palace during 2 & 3 July and Gokul Gardens Hubli during 9 & 10 July 2022. Dr. Shantharam Nayak was the resource person handle session on “COMEDK Counseling”. Many students and parents have participated and drawn benefit from this event.

The **Teacher's Day** was celebrated in Sri Krishna Institute of Technology, Bangalore on **Monday, 05-09-2022**. Faculty members have participated in the event
 * **Engineer's Day** was celebrated on **Thursday, 15-09-2022** as a mark of Dr. Sir M Visvesvaraya's Birth Anniversary.

Faculty Achievements

Congratulations !!

- Dr. Shantharam Nayak handled a session on “COMEDK Counseling” at Deccan Herald Eduverse on 02 & 03 July 2022 at Palace Hotel, B'lore.
- Dr. Shantharam Nayak handled a session on “COMEDK Counseling” at Deccan Herald Eduverse on 09 & 10 July 2022 at Gokul gardens Hubli.
- Dr. Shantharam Nayak has been honored for his service as Covid Front line Warrior by SREIS on the occasion of 75th Independence Day 15-08-2022 at KVM Red Hills Schools.
- Dr. Shantharam Nayak has attended “Engineer's Day” Celebration at CMTI, B'lore on Thursday, 15-09-2022.
- Prof. Kavya M coordinated a demo class on “Ethical Hacking” session on 06-07-2022.
- Prof. Kavya M coordinated a Workshop on “Ethical Hacking” for 4th sem students between 25-30 July 2022.
- Prof. Imran Ulla Khan along with other faculty coordinated “Project Expo” on 20-07-2022.
- Prof. Savita B Patil & Prof. Sowmya C V coordinated Graduation Day programme on 29-07-2022.
- Prof. Kavya M coordinated KGTTI Internship activity on 20-08-2022.
- Prof. Imran Ulla Khan has attended 3 days FDP on “Presentation Skills in a Class Room” from 19-09-2022 to 21-09-2022 at Sri Sairam College of Engineering.

- Prof. Sowmya C V and Prof. Aruna R Participated in Open Source India 2022 expo on 29 and 30 September 2022 held at Nimhans Convention Center.

Dr. Shantharam Nayak has been honored for his service as Covid Front line Warrior by SREIS on the occasion of 75th Independence Day 15-08-2022 at KVM Red Hills Schools.

A Counseling session on “Project Grouping & Domain selection” was arranged on **Monday, 26-09-2022**. Dr. Shantharam Nayak along with Prof. Kavya M have interacted with 7th sem students. During this interaction it was informed to the students to form the project batch. It was also informed the students to select the domain of project and download few relevant Technical papers for study.

Internship at IBM

Department of Computer Science & Engineering in association with IQAC-SKIT, organized a **Internships facilities in IBM and Wipro through Ethical Byte on 19-08-2022** in OFFLINE mode. The topic of program is :“ **Internships facilities in IBM and Wipro through Ethical Byte** ”., Mr. Manoj Kashyap is Technical corporate trainer for Ethical Hacking, Computer forensic and IOT, Embedded system Networking Ethical Byte has been a long-term trusted partner for clients, working closely with our clients allows us to act in their best interest over the long term. The aim of the event is to inspire and encourage Students to get the information on internships with a **Demo** on session offline. Prof. Kavya M started the event by welcoming participates and Speaker. Dr. Shantharam Nayak greeted the speaker and participants. After this Demo session we collected the feedback for internship in IBM Company. In this group around 45% students shown interest. Among the 45% students 13 students have cleared the first round of telephonic interview. The session was very interactive. Prof. Kavya M has coordinated this event.
