For the Academic year 2021-22

Department of Mechanical Engineering

Event: Industry Visit

Date: 16/03/2022

Department of Mechanical Engg. Organized Industrial visit for 3rd sem ME students and I sem Basic Science Dept students. It has its own importance in a career of a student who is pursuing a professional Engineering degree. With an aim to go beyond academics, industrial visits provide students a practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction, working methods, and employment practices. The main aim of industrial visits is to provide exposure to students about practical working environments. They also provide students a good opportunity to gain full awareness about industrial practices.
