Overview

Experience: 09 years

Education

(P.hD) Development and Evaluation of Reinforced Polymer Composite with thermally Conductive & Electrically Insulating Characteristics.

MTech in Tool Design at GTTC Bengaluru 2009

B. E in Mechanical Engineering, VVCE Mysore 2007

Research Interests

Reinforced Polymer Composite material of thermally conductive & electrically insulating

Publication

International Journals:

- 1) Published Journal in International Research Journal of Engineering and Technology
Title: "Design, Analysis and Manufacturing of a Set of Stage Tools for sheet metal Component for a Panel Back Outer Rear Back Floor" Volume-03, Issue-09, and August-2015
- 2) Published Journal in Innovative Research in Science & Technology: "Behavior of Aluminum-Titanium Carbide coating on Mild steel" International Journal of Innovative Research in Science & Technology, ID:- IJ40909106 Volume-04, Issue 9, August 2015
- 3) Published Journal in IJRSET Title: "Performance characteristics of Neem bio fuel blends with kerosene using domestic kerosene stove" Volume 7, Special Issue 7, and June 2018.
- 4) Published Journal in International Journal of Innovative Research in Science Engineering and Technology, Title: "SOLAR Tree Exploring new form factors of organic solar cells, the benefits and application of solar tree with Natural Beauty" Volume-07, Issue-07, June-2018.
