

Sri Krishna Institute of Technology

Department of Basic Science

Report on Induction Program (Phase 1) 2019-20

Sri Krishna Institute of Technology, Bangalore conducted five days Induction Program (Phase 1) for the First year students of BE degree course from 16 August, 2019 to 21 August, 2019.

The Program started with an introductory address to both parents and students by Chief Guest, Dr. Basavaraj Patil, Director, Think – Ink Research Foundation. Mr. Ananth was the Guest of Honor for the Program. The Presidential note was delivered by Dr. Manjunatha A, Principal, SKIT. After the inauguration, a motivational talk was delivered by the Chief Guest.

The aim of the program was to give the students joining the college a bird's eye view about various dimensions of Engineering and the career opportunities for the engineering students and to acquaint them with the systems and procedures of the college. The motive of the program was to give proper orientation to the new students about the course and future prospects and the methodology of learning to be adopted to be successful in life.

The students were familiarized with the procedure, scheme and syllabus, guidelines, examination system. Expert talks were from both internal and external resources. Universal Human Values sessions, Motivational talks, Personality Development sessions, Activities of ED cell and NSS were carried out. An educational movie was also shown as the part of induction program. The sessions were very well received by the students.
