WOMEN CELL

Report on International Women's Day 2021

Women of the world want and deserve an equal future free from stigma, stereotypes and violence; a future that's sustainable, peaceful, with equal rights and opportunities for all. To get us there, the world needs women at every table where decisions are being made.

The theme for International Women's Day (8 March), "*Women in leadership: Achieving an equal future in a COVID-19 world*," celebrates the tremendous efforts by women and girls around the world in shaping a more equal future and recovery from the COVID-19 pandemic and highlights the gaps that remain. Women's full and effective participation and leadership in of all areas of life drives progress for everyone.

This year, in Sri Krishna Institute of Technology, we celebrated International Women's Day on 8th of March 2021 with a numerous positive initiatives towards "*Women health, welfare and development*".

At first, we focused on the formal inaugural function with our guests. Our guests were very motivational and gave us the right information and also confidence.

We had Dr. Mala Megharaj with us who guided us about the nutrition required for us in this pandemic and also, the health tips for maintaining good lifestyle.

We also had, Dr. Thulasi Jagadish, who gave the detailed explanation on the use of menstrual cups, and their uses and advantages. She also guided our students and staff with a demo model on how to use them too.

Dr. Rekha S K, being a entrepreneur, shared her experiences through her life of her success and also guided our students on how a women can be an entrepreneur.

This year, as per the theme, we honored, Mrs. Lakshmi Ajji, for her continuous effort in keeping the campus safe and clean all the time during the pandemic and also before. We also shared sarees to all the housekeeping staff for keeping our surroundings clean each day without fearing the pandemic.

On the success story, we honored three of our students of SKIT, who have achieved good recognitions at the national level by presenting them, the momentos.

Also, we announced the name of the students who have received the National Save Girl Child Day 2021 contribution from the management.

With this our Principal gave a heart felt presidential address as he was very much impressed with the initiatives taken up from the women cell of SKIT.

All the department faculties were compelled to entertain and enjoy the cultural in the afternoon session.

The management had sponsored a chat in the evening with which we winded up with the "International Women's Day Celebration 2021".

WOMEN CELL Report on Talk on Competition

Title – Talk on

Date – 28-6-2021

Platform - Online

Objective:

- To educate the students about the achievements of women.
- To motivate the women of the institute to head towards their success.
- To encourage the students towards social contribution to the society by creating awareness about the path of achievements

Description:

The event was hosting by Prof.Rani Padmini T K, Assistant Professor, Dept of Chemistry and around 30 competitors participated in the event. The participants were given a time limit of 4 + 1 minute, within which the students showcased their outstanding performance. Mrs.Archana.H, Associate Administrator and Dr. Harish, HOD, Dept of Civil were the invitees to judge the performance of the competition. The best three were awarded.

The flyer of the event and rules and regulations followed is below.
