EVENT REPORT

Activity : Awareness Program

INTRODUCTION/OVERVIEW:

Event Name: Awareness of Sanitary Napkins Destroyer Machine and Disposal of Sanitary Napkins

Date: 30-06-2022

Resource Person: Mrs. Archana Holakal , Associate Administrator, SKIT

No. of Faculty Participants: 10

No. of Student Participants: 50

OBJECTIVES:

1. To create awareness about disposal of sanitary Napkins in proper way
2. Information given about Sanitary Napkin destroyer machine

SUMMARY:

Women's Cell of SKIT in regards with the awareness of sanitary napkins destroyer machine and disposal of sanitary napkins in proper way.

The program was conducted by Mrs Archana Holakal , Associate Administrator SKIT between 11 Am to 11.40 AM on 30th June, 2022. The information given regarding sanitary napkins vending machine installed at A block girls room and to arrest the problem of sanitary napkins disposal issue in institution, management has installed Sanitary napkins Destroyer machine in A block wash room.

One washroom will be identified in each block and separate dustbins will be kept, Students have to wrap the napkins with the protective sheet that comes along with the individual napkins. By the end of the day, housekeeping staff will collect dustbins from each block and destroy the same in the machine as it can burn upto 17 napkins at a time

Students were instructed not to use plastic cover to wrap and also to avoid news papers as it leads to lot of smoke. It was also educated to the students to improve their personal hygiene they should not use cloth napkins.

OUTCOMES:

1. Proper disposal of sanitary waste
2. Enhance menstrual hygiene

Event Report on “Self Defense Training”

INTRODUCTION/OVERVIEW:

The Women cell and Department of Physical Education and sports, SKIT organized session on “Self Defense Training” for girl students and ladies’ faculty of SKIT in the Yoga hall, B-Block on 27/01/2023 at 12pm. Ms. Monisha M and Ms. Neha, All India representative Taekwondo players were the resource person for the event.

OBJECTIVES:

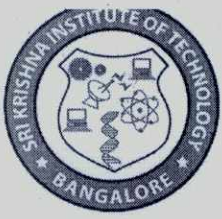

The main objective of this session is to train the girls to become psychologically, intellectually and physically strong enough to protect themselves in times of distress, to provide the different tips of self-protection in different situations and to show case and give demo on different self-defense techniques.

SUMMARY:

The event started with the brief introduction about the mentors for the event, Ms. Monisha M and Ms. Neha, All India representative Taekwondo players by the event coordinator, Chaitra A S, Asst Prof, ECE Dept.. The mentor started the session with a small activity for all the participants. They spoke about how to prevent an attack, discussed how to use actions and words to protect themselves and the various parts of the body they should physically target in order to defend themselves. Demo on Different techniques to self-defend against different forms of attacks like Wrist Hold, Escape a bear hug etc. The event concluded with vote of thanks.

OUTCOMES:

The students learnt about the different kinds of violence that may be faced by girls or by women in different situations. The student participants got different self-protection tips on how to avoid/defend by attacking a potential attacker by using objects or by striking on the soft spots of the attacker, when subjected to physical abuse, violence, crime, etc.

Event name: Awareness on feminine Hygiene

Resource Person/s: Chaitra S

Date of conduction of the event: 7/02/2023

Type of Event (Technical/Extracurricular/Others (be specific)): Safety/hygiene

Event Description: Feminine hygiene is essential and needs to be maintained both at home and at workplaces. Looking at the statistics, the women workforce across the world contributes around 48.5%.

A hygienic workplace will go a long way in creating a healthier workplace, and thereby, the chances of employees falling sick will be reduced. A healthy workforce will be more happy and productive in the workplace. Organizations can prepare an official policy that must be read and adhered to by employees.

Outcome of the Event or Activity:

Poor menstrual hygiene, however, can pose serious health risks, like reproductive and urinary tract infections which can result in future infertility and birth complications. Neglecting to wash hands after changing menstrual products can spread infections, such as hepatitis B and thrush.
